

Boat in a Box Order Form

This package consists of a fiberglass hull with an attached deck, a keel, sail, Iridium GPS, and assembly instructions. The completed hull contains a large watertight compartment for scientific sensors, messages, trinkets, and local artifacts. The keel must be ballasted with sand and resin. Then the keel and mast are glued in place. The GPS will be sent separately when you are ready to launch the vessel, but is included in the price as is 1,000 position reports during your 1st voyage. \$2,300

Additional Costs

Shipping and Handling Fee is dependent on mailing location and will be billed after shipping. If applicable, 5.5% Maine sales tax will be applied to your order. All specifications & prices are current as of September 2017 and subject to change.
