1. Please fill in the following information:

School/Organization Name:

Point of Contact Name:

Email address:

Phone number:

Shipping Details (Name & Address):

2. When (month/year) and where are you planning to launch your miniboat?

3. Do you have a deployer in mind?

4. Please indicate which items you'd like to order in the highlighted column below:

Item	Price	Qty.
Boat in a Box - Includes boat parts, GPS transmitter, assembly instructions, assistance from EP staff to launch your boat, and a custom page on our website. The hull has a compartment for scientific sensors, messages, and trinkets. Some assembly is required - the keel must be ballasted, keel and mast glued in place, hull painted with bottom paint, and GPS installed (which may be sent separately). This package includes 1,000 position reports during your 1st voyage only. A relaunch fee will apply for additional voyages	\$2,300	
Shipping - Cost of mailing boat parts and transmitter: Local (New England)	\$175	
East coast (south of NJ) and midwest	\$200	
West coast (continental states)	\$225	
Other and international Contact us for estimate	TBD	
Delivery fee (New England only) - Cost of delivering boat parts and shipping transmitter (call to discuss)	\$100	

All specifications & prices are current as of December 2017 and subject to change.

5. Send this form to us

After completing this form, please send it to the attention of Cassie Stymiest by email (cassie@educationalpassages.com) or mail (PO BOX 465, Kennebunk ME 04043). Doing so will formally request an invoice for the above order.

Thank you, we'll be in touch soon!
